Re: Lobbying registration

Dear Sir or Madam:

Enclosed is a completed Lobbying Registration Form and a check for \$10.00. I was previously registered as a lobbyist but that registration was allowed to lapse during a period when I was not engaged in any lobbying activity.

Please note that I have included three governmental agencies on my list of clients. Even though my communications to legislators on behalf of those agencies is limited to the providing of information only, I am including their names because of the Act's broad definition of "lobbying." The Act defines "lobbying" to include "any direct act or communication with a legislator, the purpose of which is to aid in influencing the passage or defeat of any legislation." Since providing of facts and information could aid a legislator in determining whether or not to support legislation I have elected to include those client's on my registration.

Sincerely yours,

Michael H. Wainwright
